

قراءة الإمام تافه

هذا هو أول قسم من العلوم الشرعية في القرآن

A detailed list of references and citations, organized in columns. Each entry includes a number, a title, and a reference to a specific page or volume. The references are primarily in Arabic and cover various aspects of Islamic scholarship, including Quranic studies, linguistics, and jurisprudence. The list is extensive, spanning across the bottom half of the page.

هذه الكتب من كتاب غاية الهام في طرق القراءات... (This text discusses the significance of various Quranic recitation methods and their historical context.)

هذا هو أول قسم من العلوم الشرعية في القرآن... (This text provides an introductory overview of the scientific study of the Quran.)
